ROUND MOUNTAIN CASE SET FOR TOMORROW

Judge Mark R. Averill returned this morning from holding court at Elko, where he heard the arguments in the case of Oliver vs. Kellogg. Judge Taber also asked the visitor to hear the contempt proceedings against Editor Steninger in connection with the alleged malfeasance charges involving County Commissioners Jones and Gregory. Both cases were taken under advisement. Tomorrow Judge Averill will empanel a jury in the case of the State vs. Kruger, indicted for murder in the first degree in killing a prospector at Round Mountain. The following day is a legal holiday according to the proclamation of Governor Boyle, which places the county under an extra expense by holding the talesmen over in Tonopah. The day had not been designated when the court set the case on the docket.

I desire to take this means of announcing my candidacy for the democratic nomination for the office of sheriff and assessor of Nye county at the primary election to be held next fall. If elected, I promise to discharge the duties of the office to the best of my ability and to the credit of the county.

(Signed) JOHN BARRIER.

DUAL RECEPTION ECLIPSE PARTIALLY BY RED CROSS VISIBLE IN TONOPAH

The boy and girl Scouts turned out at full strength this morning in honor of the Red Cross to escort the first volunteer Red Cross ambulance driver from Tonopah as far as the depot and to welcome Mrs. Harry Kluegal, Pacific division manager of the Junior Red Cross, who will appear this evening at the Airdome as one of the orators of the drive now in progress. The departure was W. J. French.

The parade was enhanced by the presence of a number of Red Cross workers in full uniform who marched to the station to music by the musician's union and the A. F. L. drum corps. Ben Luce made a short speech and the train was off to make room for the incoming train bearing the distinguished Red Cross official, who expressed surprise at the reception. The marchers then reorganized and the young ladies of the Red Cross formed an escort on either side of the automobile occupied by Mrs. Kluegal and Mr. and Mrs. Hugh H. Brown. The band struck up "Marching Through Georgia," and other patriotic airs until reaching the Mispah hotel, where the players disbanded and the Scouts continued on to the residence of the Browns, where Mrs. Kluegal will be entertained during her stay in Tonopah.

ATTEND THE AIRDOME WITHOUT FAIL TONIGHT

Mrs. Harry Kluegal, who is to speak for the war drive this evening at the Airdome, arrived this morning and was met by the full organization of the boy and girl Scouts, together with a company of ladies from the Relief Corps and Junior Red Cross girls dressed as nurses, who acted as a guard of honor to Mrs. Brown's car as it carried their leader up the main street of Tonopah to the school house, where Mrs. Kluegal addressed the high school for a few minutes.

The Tonopah band preceded the Scouts up the street. They were kind enough to offer their services and the Junior Red Cross is grateful to them indeed for thus helping to honor their leader.

Mrs. Kluegal went directly to the school where she said a few words to the assembled school children. Her report of the cause was most gratifying. A request came for canes. The first shipment of our Tonopah canes was there in the warehouse. They were inspected and found to be so good that they were put into immediate service, and she requested that we continue to make them.

Mrs. Kluegal will speak at the Airdome tonight under the auspices of the war drive. She has a message for all earnest Red Cross workers. She will speak on various phases of the war work. Aside from this Mr. Hugh Henry Brown will preside and will give a short resume of the two days war session at Reno.

The music will be provided by the high school orchestra and a chorus of Junior Red Cross members.

TWO REPORTS FROM TONOPAH PATIENT

This morning Mrs. J. L. Simmons received a telegram dated yesterday from the nurse having charge of James Kerns at St. Mary's hospital in San Francisco. The message read as follows: "Dr. Sterewalt operated on Jim at 10 a. m.; three quarts pus removed; good condition; no fever; pulse good; sweats still present. Sends regards to you and Mrs. Lanthier."

Another wire from Frank Kerns, the father, addressed to Thomas J. Lynch, also dated May 20, stated that the boy was weaker.

VANDERHOEF GOES TO UNITED VERDE

E. E. Vanderhoef, who for the past ten years has been in charge of steam shovel operations of the Nevada Consolidated at Copper Flat, and who recently resigned his position with the company, left last week for Jerome, Arizona, where he has accepted a position with the United Verde company. "Van" was one of the real live wires of Elko, and will be greatly missed by his many friends and business associates. Before going Mr. Vanderhoef presented Tonopah Lodge B. P. O. E. with two magnificent pictures.

Mrs. Vanderhoef will make her home temporarily in Salt Lake City, but later will join her husband in Arizona. Mrs. Vanderhoef has been popular in social circles of the district, and was also active in Red Cross and other war measures. Her departure will be greatly regretted by her many friends throughout the district.

DEATH OF GEORGE NODDIN

George Noddin, who has been employed in and around Tonopah for the past 14 years, died at the county hospital yesterday afternoon after a long illness from tuberculosis. Deceased was 66 years of age and born in Maine. The funeral will be held tomorrow afternoon at 4:30 from the undertaking parlors, where Rev. H. L. Graffius, of the Presbyterian church will officiate. Interment will be in the local cemetery.

THOMAS HUSTON, representative of the Underwood typewriter, came in this morning and will remain here several days looking after the welfare of his patrons.

AMUSEMENTS

VAUDEVILLE AND PICTURES TONIGHT

The show at the Butler tonight will start promptly at 7:15, fifteen minutes earlier than usual, on account of the big Junior Red Cross meeting which is to be held at the Airdome, so the first show will be over before the Airdome meeting starts, giving everyone an opportunity to attend both.

Jane and Katherine Lee are one of the attractions at the Butler today and a very plausible and illuminating expose of spy activities in the army are phases of the stirring production, "American Buds," in which the two wonderful child stars appear. The Fox "Baby Grands" appear not only in the expected role of trouble wholesalers, but Jane is a heroine, her midnight excursion from bed to the living room being responsible for the catching of a member of the German secret service. Please bear in mind that this production has a wonderful appeal for adults distinctly equal to that for the children, as the diminutive stars are not only supported by a strong company of grown-ups of proved ability, but the work of the children is nothing short of marvelous. One of the features is the daring parachute leap of Katherine 2000 feet above the earth, which is thrilling in the extreme.

An added attraction will be furnished in the form of Irish ballad singing by Curley Munro, the silvery toned tenor, late of "The Majestic Four," who for years have been featured over the largest vaudeville circuits.

Another reel of film will be shown analyzing the movements of a horse as shown by motion picture camera. An excellent program. Come early.

Tomorrow, Madge Kennedy, in "The Danger Game," and vaudeville.
